March 2009 show broke even. Nancy will check and see who is on the panel in the Combined for March 2010 and see if we might be able to use one of those judges. Suggestions for sweeps judges were taken.

DCA is dissolving Regions and we need to disperse the funds that we hold. Several options were discussed. The majority wanted the funds to be donated to a legal organization to help defend us against the anti dog legislation. Several organizations were discussed.
