**Note from the Pres:**

**Itinerary for the meeting:**

**Discuss the 2011 HDC Specialties. We need to hire judges and someone will need to volunteer to be the show chairman. Karen and I have handled it the last 2 years and Trish before that. I have already turned in the application to AKC because the deadline was Sept. for the March show. We will be able to provide the judge's names when hired. We will also need a sweeps judge.**

**I believe the judges selection that was presented at the last meeting is very similar to the process that we are suppose to use. We are looking for that process. It was my fault the judges were hired the way they were for last year. I was looking to save the club money but not sure how much we saved.**

**Please mark your calendars and plan on attending the meeting.**
